LARGE R2 LOT

Vicki Brooker photo

Fire Department fundraiser

Fire Chief Ken Palamarek (left) and firefighter Darryl O'Reilly got a big thumbs-up from the Servus Credit Union wizard when they came to man the barbecue at last Thursday's fundraiser at the Credit Union, with the event's proceeds going toward upgrading fire department equipment.

Town Council urged to recycle

VICKI BROOKER
Review Staff

Elk Point town council has been contacted by a resident urging them to give residents the ability to recycle locally, rather than hauling recyclables to the other communities or dumping them in the landfill.

The suggestion was made that dumpsters at one location would be "a good start" and included a list of prices from a company in the region for rental of recycling bins and the fees to transport them and process the contents.

Council discussed potential locations for the bins, but do not plan to move forward with the initiative at this time as they are waiting for the results of research currently underway by the Town of St. Paul. The matter has been tabled until the budget planning meetings in November.

New policies

CAO Ken Gwozdz presented council with three new policies for their approval, dealing with bad debts, business credit card usage and purchase orders. Council moved to approve all three.

Water reservoir

Council agreed to allocate \$266,615 from Elk Point's 2016 Municipal Sustainability Initiative Capital funding to pay the balance of the cost on the \$1.6 million the treated water reservoir project.

Peace officer

The town received a letter from the Village of Mannville seeking support of a joint application under a Community Partnership grant, if one is announced, to establish a regional Peace Officer program shared between several municipalities. Council felt this is a worthwhile project and agreed to send a letter of support.

THIRD AT PROVINCIALS - F. G. Miller High School's cross Country team proudly displays the third place plaque they earned at provincials.

Crusaders third at Provincials

QUINTON AMUNDSON
Review Contributor

Hundreds of Alberta high school students raced down the Wapiti Nordic Ski Trails near Grande Prairie on Saturday looking to attain cross country glory.

F. G. Miller Jr/Sr High School excelled amongst the 44 participating 2A schools by finishing in third place with 434 points. Earning 240 of those points were the Grade 10 boy athletes.

The school's athletic director, Jonathan Randall, was very pleased with how his athletes delivered a breakout performance for the school at this event.

"To my knowledge F. G. Miller has never had a result like this at a provincial competition," he stated in an email.

"We have been building our Jr High programs and now that these kids are feeding into Sr High its really starting to pay and it feels good to see our kids succeed they deserve it."

A special moment for Randall, in addition to the school being presented with a plaque for finishing within the top three, was when Grade 12 student Dawson Delorme was one of the two students recognized for outstanding sportsmanship.

Randall wrote: "The cross country commissioner made a speech about how Dawson encouraged other athletes while he ran and showed what being a true athlete is all about. That was a pretty special moment for him to be recognized out of 700 or so athletes."

TIDY FORD FOCUS

"Giving a little extra for you"

COUNTY OF ST. PAUL No. 19

HIGHLIGHTS

October 13, 2015 Council Meeting

Year Round Fire Permits – Reminder that fire permits are now required for year round burning.

Emergency Management – Do you want to be ALERTED in the case of an Emergency?

– The Town and County of St. Paul, Town of Elk Point and SV of Horseshoe Bay have a Notification/Alert system that can be used to notify residents of life threatening events such as a tornado warnings, severe winter storms or watches in our area. However, in order to receive notifications, residents must register through www.stpaul.ca. If you require assistance to register or additional information, contact the County office at 780-645-3301.

Planning and Development – Council gave first reading to Bylaw No. 2015-25 to license 1 mile of undeveloped road allowance between SW 27-57-10-W4 and SE 28-57-10-W4, in an attempt to deter people from dumping garbage on the road allowance. While the agreement allows the licensee to gate and use the land, public access must be permitted at all times.

Council approved Bylaw No. 2015-18 and Bylaw No. 2015-20 to amend the Land Use Bylaw No. 2013-50 (LUB). Bylaw No. 2015 -18 is to rezone 25.09 acres in SE 16-58-9-W4 from Agricultural to Industrial/Commercial and Bylaw No. 2015-20 is to rezone 10 acres in PSE 5-58-9-W4 from Agricultural to Country Residential. Public Hearings were held for both bylaws, however no one appeared and there were no written submissions in opposition to or in favor of the proposed amendments to the Land Use Bylaw.

Council gave first reading to Bylaw No. 2015-26 to include (b and c) under Section 7.30(1) of the LUB. The amendment allows the installation and operation of a disposal field or treatment mound as solids dictate on the SE 24-59-11-W4 (Westcove Municipal Park) and Lot OT, Plan 5183JY (Floatingstone Municipal Park). The private disposal systems will meet the requirements of the Alberta Private Sewage Systems Standard of Practice Regulation (2009) as amended from time to time.

Bylaws and Policies – the following Bylaws were approved by Council and can be viewed on the County website – Utilities; Noise and Municipal and Reserve Land Regulation. Council also approved a Fire Protection Services Bylaw with 3 policies outlining the level of service that will be provided by the St. Paul, Ashmont and Mallaig Fire Departments.

Council also approved a Short Term Disability Policy that will provide disability benefits for staff when they have extended illness in excess of 5 working days or upon hospitalization. This policy will ensure that all staff are looked after during periods of illness, even if under current policy they would not have been employed long enough to have accrued sick leave that would cover off the illness. Employees must complete their probationary period before being eligible for the benefit. Short Term Disability benefit will cover staff for up to 90 days before they revert to the Long Term Disability Plan, which is already in place.

Moosehills Slide – At the Public Works meeting of September 29, 2014, Council approved an emergency fix to the Moosehills Road where the road is affected by a slide. The work is currently underway. Council hopes this project will stabilize the road and reduce future maintenance costs.

Strategic Plan – Administration provided the third quarter update on the Strategic Business Plan which can be viewed on the County website at www.county.stpaul.ab.ca.

FCSS – The County of St. Paul and Elk Point FCSS will be hosting the **Annual Seniors Festival** on November 20 in Heinsburg from 11:00 a.m. to 2:00 p.m. Bussing will be available from Ashmont, Mallaig, St. Paul and Elk Point and is available on a first come first served basis. For further information or to register call 780-645-1950 or 780-724-3800.

Organizational Review – Council at the Public Works meeting approved to have a consultant conduct a review of the County's organizational structure, practices, and culture. Administration requested the opportunity to have an independent consultant look at the organization recognizing that there are a significant number of employees that are nearing retirement and this could impact the County. Administration wants to ensure that we have solid strategies in place to continue to provide efficient and effective municipal services in the future. This work will commence in October and is expected to be completed in mid-January 2016.

Alberta Community Partnership Grant – the County will be partnering with the Towns of St. Paul and Elk Point and the Summer Village of Horseshoe Bay to apply for an ACP Grant for new radio infrastructure and training that is compatible with the Alberta First Responders Radio Communication System. The Summer Village of Horseshoe Bay will be the managing partner.

Funding Support:

- \$200 – Williams Haunted House
- \$500 – Mallaig School for Provincial Cross Country
- \$500 – FG Miller High School for Provincial Cross Country
- \$1,000 – Regional High School for Provincial Cross Country and Provincial Golf
- \$1,000 – Centennial Senior Citizens transportation grant

Town Council

(Continued from Front Page)

Council agendas

CAO Gwozdz proposed to council that the agenda for upcoming council meetings be posted on the town's website to enhance communication with residents and businesses. The document would be posted on Thursdays or Fridays prior to the meeting, once the agenda receives approval from Mayor Parrish Tung. Council was reminded that items for the agenda would need to be submitted in time to be added before it is approved. They also discussed other items of interest to the public that could be posted on the website.

Support for Extravaganza

Council received a package of information regarding the upcoming Christmas Extravaganza from the Elk Point Chamber of Commerce, and agreed to donate \$500 as platinum sponsor of the event, as well as approving the requested street closure and fire pits.

Deadline for chamber

The Chamber of Commerce will be given a deadline of Nov. 6 to respond in writing regarding acceptance of the lease proposal. In the meantime, the town will resume a renter/landlord position with the chamber and will forward the rent cheques to the organization as has been done in the past.

Airport

The CAO told council that he and a representative of the County of St. Paul met with Alberta Transportation and learned that the Elk Point and District Airport has an estimated \$3.4 million in deficiencies. This is one of the matters to be brought to the table at an upcoming meeting between the town and county in November.

FCSS

Coun. Bernice Capjack reported that all is working well with the joint County and Town of Elk Point FCSS since the merger. A new sign has been ordered and all program are going ahead. She was pleased to report that there is an increase in provincial funding, and that Terry Shankowski has been hired for the Elk Point office. FCSS will be holding their Seniors Christmas Festival in Heinsburg on Nov. 20, and is trying to establish Parent Link in Elk Point, however they have not found a suitable location to this point.

Election results

Due to press time restrictions, coverage of yesterday's Federal Election results is not included in this issue.

The results will be posted on the *St. Paul Journal* website, www.spjournal.com, and will be summarized in our Oct. 27 edition.

Moving up to downtown

VICKI BROOKER
Review Staff

Elk Point's recently relocated Guardian Drugs has double the space and a larger selection than its previous location, but owner Nigel LaFrance says the reason for moving to the downtown core was to "get more foot traffic in the door. We did it to accommodate the seniors."

The new store took over the former Rona premises, and "took a lot more time than we expected" to renovate prepare for the move, LaFrance added, with a heart attack he experienced in the midst of the process slowing progress even more.

The former store, along Highway 41, "Used to be Apple Drugs, but we changed to Guardian. It's a bigger chain, with 950 stores across Canada, and the largest pharmaceutical warehouse. Their program is a lot better."

It's Small Business Week, and LaFrance and his wife and business partner, Kandus, are proud to have "invested in our community, our store is locally owned and operated."

The store includes developed space for an additional doctor, and would offer it free of charge if one wanted to locate there, he noted.

The LaFrances have had the same pharmacist, Chris Letawsky, on staff since their first store opened. Letawsky expects to be extra busy this week, because "Flu shots start Oct. 20, for anybody age nine and up with an Alberta Health Care card, every week-day. I'm here until 6:15 p.m." He also will have the vaccine mist, for those up to 18 years of age "and needle-phobic adults." He urges everyone to protect against the flu with the vaccine or mist this flu season.

SET FOR SEASON
- Elk Point's new Guardian Drug Store is festive for fall, and offers a warm welcome to shoppers all year round. Shani Jurak is shown serving a customer at the centrally located checkout.

OBITUARY

**MILLER,
Irene Florence
(Kroening)
1920 - 2015**

Surrounded by her children, Irene passed away peacefully Sunday, October 11, 2015, at the age of 95. Irene will be lovingly remembered by her children: Barbara (Brent) Green, Heather (Marvin) Bjornstad, Ken (Maureen) Miller, and Richard Miller; grandchildren: Jeff, Kevin, Leanne, Kara, Julie, David, Colin, Paul (Renee), and Tegan; great-grandchild Alexa; and numerous nieces and nephews. She was predeceased by her parents Mike and Martha Kroening; and siblings Richard, Alfred and Dorothy.

Irene was born and raised in Lamont, Alberta. She valued life-long learning, earning her teaching certificate at "Normal" School, her degree in Household Economics at the University of Alberta, and later her Dental Assistant Certification. She worked in each of these fields. Irene spent most of her adult life in Elk Point. She loved being in her garden and was truly happy when cooking in her kitchen. Renowned for her baking, she was really in her element at Thanksgiving and Christmas! Irene volunteered in many capacities for organizations in her community and her church. She will be remembered for her inner strength, her energy, her love for her children and grandchildren, and for doing things right the first time! The family extends sincere thanks to Dr. Harmse, and to St. Paul Extending Director of Care Bernie Kozicky, and the staff, for their care of Irene.

A memorial service to celebrate Irene's life will be conducted by Reverend Ann McGrath at the Elk Point United Church on Monday, October 26 at 2 p.m. If desired, donations may be made to the Bissell Center c/o 5626 - 51 Street, St. Paul, AB T0A 3A1. To send condolences online, please visit www.gracegardensfuneralchapel.com

EDITORIAL

Foundation for success

The organizers of the ROCK (Reclaim Our Complex Kids) Foundation say they're "not here to take over anything, we're here to bring groups together into a unified volunteer base."

Their goal is to allow more events to take place without stretching the available volunteers past their limit of endurance, to the point where they are no longer willing to commit time and energy to community projects.

Seven groups worked together on Canada Day, and nine are working to put together the Halloween Frolic, which is a classic example of the old saying, "Many hands make light work." It is heartwarming to see groups coming together and cooperating for the good of the community, sharing the workload of producing an event that has in the past been an enormous undertaking for a single organization.

The foundation prides itself on being "a positive group, and a positive force in the community," and with plans to support the various children's clubs and organizations with the results of its fundraising efforts, the result cannot be anything but positive as well.

RECREATION CORNER

Whose scarecrow is the winner?

JENA COLBOURNE
Recreation Director

The winner of Elk Point's first-ever Town Wide Scarecrow Competition will be announced in next week's Elk Point Review. Thanks everyone who participated and helped make Elk Point ready for fall, and Halloween. Thanks to the Chamber of Commerce for donating the \$250 business prize and the Town Rec Department for donating the \$250 for residential prizes.

The Halloween Frolic will be hosted by the ROCK Foundation on Oct. 31st at the Allied Arts Centre. The Frolic is a safe, fun event for the whole family from 6 p.m. to Midnight. It's a great place to keep the festivities going long after dark. If you haven't heard of ROCK yet, it's a new nonprofit organization in Elk Point; and stands for 'Reclaiming Our Complex Kids'. It's an organization centred around maintaining a healthy environment for the kids of Elk Point by providing programming, like the Frolic.

After the Halloween decorations are safely tucked away, everyone is ready for Remembrance Day. I know we all have super busy lives, I get it... five kids! But it's important to take some time to honour our history and attend the Remembrance Day Celebrations, to bring the kids, the elders, your grandparents, or come alone. As we get further from the World Wars, the less likely we are to know anyone who was alive at the time or anyone who fought or had a loved one who fought. Not having a personal connection or one so far removed can make the day seem like, just another day off work - score! It's more than that and we should recognize the sacrifices made for us to be able to enjoy things like, just another day off work - score!

I hope this will be the best-attended Remembrance Day yet. The event will be held at the Seniors' Recreation Centre on Remembrance Day, November 11th. If you would like to lay a wreath, please contact me at recreation@elkpoint.ca or call/Text 780-207-5898.

WAY BACK WHEN...

Paper, parking, Coach of the Year

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF OCT. 20 IN...

1985

Fears that winter activities at A. G. Ross Arena could be cancelled were alleviated when attendance more than doubled at the second attempt to get the season underway, although the Agricultural Society still lacked a president and a second vice president to join first vice president Leigh Babcock in leading the organization. Harvest progress was slow and on a 'one day at a time' basis as weather proved uncooperative.

1990

Sheldon Porcina was named F. G. Miller High School's Best All-Around Student at the annual awards night, where Nathan Bosvik won multiple awards, ranging from the Governor General's Bronze Medal to the County of St. Paul Highest Academic Standing award. The Town of Elk Point offered to help the Elk Point Lioness Club and Elk Point Scouting Association with their recycling project by transporting paper for recycling to Two Hills, whose Lions Club could no longer afford to come to Elk Point to empty the bins, but would accept it if it was brought there.

1995

Short-term parking of vehicles on Highway 41 between 50th Ave. and Railway Ave. while truckers run in to get takeout coffee was discussed at town council, when RCMP Sgt. John Humphrey came to give his input and noted that statistics did not indicate any accidents caused by trucks stopping in the area. Lee and Mable Wruth were chosen as Northern Alberta's Foster Family of 1994, after 25 years of service as foster parents for more than 60 children.

2000

Elk Point was selected for further evaluation as a potential site for Northern Lights Library System's

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

new headquarters, joining the larger communities of St. Paul, Vermilion and Vegreville on the short list because the town had an appropriate building available. Doug Bassett of the Elk Point Midget White Sox was named Baseball Alberta's Coach of the Year, a rare honour for a rural coach, with the award usually going to a coach at Triple A level.

2005

REBUILDER AND RESTORER Sid Quist smiles from the operator's seat atop his prized McCormick Power Binder, with wife Rosemarie at the wheel of the couple's vintage tractor in the 2005 version of an old-time harvest scene.

Town council was looking forward to Elk Point's 2007 Centennial, discussing potential centennial projects that included new welcome signs in their first brainstorming session. County council urged a delegation from the Elk Point Regional Allied Arts Society to move forward with a feasibility study to determine if a currently vacant portion of the Northern Lights Library System headquarters building would meet the needs of the society.

2010

Incumbent Parrish Tung was back in the mayor's chair, defeating former town councillor Dick Miller by more than 100 votes, while incumbent councillors Bernice Capjack and Dwayne Yaremkevich and newcomers Ron Fraess and Eugene Buck were elected by acclamation. The County of St. Paul had a new reeve, with Steve Upham upsetting incumbent Robert Bouchard by a 237-vote margin, while Darrell Youngmans was elected as the new Division 2 councillor as well as returning to the school board.

SMALL BUSINESS OWNER Vern Pierce of Jeep Headz is proud to be part of Elk Point's business community and is busy renovating his vintage garage to showcase his new line of ATVs.

Fast service, fair prices at Jeep Headz

VICKI BROOKER
Review Staff

What do you do when you're tired of paying ridiculous prices to get your recreational machines fixed? If you're a man like Vern Pierce, who as a kid, spent a lot of time working on machines and loving every minute of it, you just might decide to do what he did: open a shop like Jeep Headz, located in what once was George's Garage on the corner of 50th Ave. and 51 Street, where he provides fast, professional service on everything from ATVs to snowmobiles to boat motors at reasonable rates.

Originally from a family farm in the Glendon area, Pierce spent 15 years in the oil patch before he heard about a building in Elk Point that would suit his needs. "I moved here the next week, and bought it." Working at Hahn Welding, he learned from coworkers that "there was nothing like that around here, and a huge demand. So I pumped all my money into this. This is my retirement job."

Pierce is CanAm certified and has two years of marine mechanic training to his credit, is ready and willing

to repair snow blowers, rototillers, small engines and boat motors in addition to ATVs and snowmobiles, and offers "honest, fair work for an honest, fair customer." He's keeping his rates low, because he feels that like himself, others are "tired of getting ripped off" by exorbitant prices.

Fair pricing also applies to the recreational equipment he now sells. "My motto is, if you can find the same thing cheaper, I'll give you that same price less 10 per cent."

So busy with repairs to customers' equipment that the ongoing renovations on his shop are "taking forever to get done," Pierce still found time to become a dealer for Gio ATVs and Amsoil lubricants. The Gio products are the reason for the current stage of renovations, as he recently removed a wall and is hurrying to get a showroom in place - "I'm shooting for Dec. 1" - where he can offer Christmas shoppers a range of snowmobile suits, helmets and gloves as well as the machines.

He finds Elk Point to be "a good, family-oriented town. I want my kids to grow up here," as well as a great place to start up a business.

NOW OFFERING
Sight Testing for
ONLY \$65.00

**see in store for more details*

What is a Sight Test?

An automated sight test uses a sophisticated computerized program to assess and measure your sight and to generate the correct powers for your eyeglass lenses. The process has been proven to be accurate, safe and reliable.

Whether it is to adjust the power of your glasses, or to change your look with a more stylish frame, a sight test allows you to update your prescription in between regular eye health exams.

Your optician will do a pre-test assessment to see if you are a suitable candidate for a sight test. Depending on your age and medical condition, you may be required to have a full eye health exam instead.

Talk to Sue to see if a sight test is right for you.

The Elk Point & Area Victim Services Society is currently accepting applications for Victim Services advocates. These trained volunteers are members of the community who are of varying ages, backgrounds and skill sets but all share a passion to help those that have been victimized due to crime or tragedy. Advocates provide emotional/practical support, court orientation/accompaniment and community referrals to victims as well as occasionally participate in fundraising or awareness-raising activities.

The basic requirements for becoming an advocate are:

- Obtain a Police Enhanced Security Clearance
- An ability to manage one's own emotions during high stress situations
- Maintain confidentiality in accordance with program policy
- Excellent communication skills
- High level of Integrity
- Attend all mandatory training sessions and quarterly meetings
- Desire to assist victims of crime and tragedy in your community
- Must be 18 years or older
- Canadian Citizen/Landed Immigrant
- Possess a valid driver's license, a clear driving record, maintain adequate vehicle insurance & have access to a vehicle

Meanwhile, back at the A. G. Ross Arena...

Yes, true.... it's been really nice outside, and the ball season isn't over yet... let's hope that the Jays are still playing for a few more weeks; but I

**doug
BASSETT**

Review Sports

was finally back in my winter home, away from home, in the time box at the A. G. Ross Arena on this past Sunday and got my hockey fix, when the Bantam Avalanche took on a team from Wainwright in an exhibition game. The Avalanche, looking a little lean with only 10 skaters in the line up, the Bisons bulging with a full squad and got on the board first with three goals in the first period and this game started to look like it may be a runaway; until Hayden "Hot Wheels" Ludlage poked one in with a minute and a half left on the clock in the first to make it 3 to 1 when the teams retired to the dressing rooms.

Inside the closed doors the boys had a chalk talk lead by head coach Greg Van Maarion and his assistants Christoph Ludlage and Dean Rogal, who stressed the importance of picking up a man in their own end of the ice among a few other tips. I think the coaches also felt

very fortunate to be only down by two goals after the first 20 minutes considering they only had 10 skaters and the Bisons had 3+ lines.

The boys obviously paid attention and listened, because they came out in the second really fired up. Nicholas "Sparky" Anderson lit the lamp with one on the first shift assisted by "Hot Wheels" and the hard nosed grinder defenseman Angus McFarlane. Then his defensive partner "Hammering Hank" Rogal sent a wrist shot that floated into the net from the blue line assisted by "Hot Wheels" and "Sparky." The game was now tied within the first two and half minutes and remained that way for the rest of the second period. A huge part of that was the superb play of goalie Colton "Colt 45" Van Maarion, who was between the pipes and really seemed to gather his composure after the bad start, letting in a couple of soft goals in the first period that I'm sure he wished he could have back, he stood strong for the rest of the game facing 42 shots in the end. Winger

"Silent Sam" Henderson with some solid back checking creating some turnovers, not hurting the comeback cause either.

Tied three-all after 40 minutes, the Bisons pulled ahead again by one in the third.... then the slick skating Chase Dorey tied it up assisted by the big D-man Bradley "Diesel" Canning, and "Sparky"... then the Bisons pulled ahead again...and then it was "Hot Wheels" going coast to coast to score one all alone to tie the game once again. "Hot Wheels" has really earned his nickname as he matures, this kid can motor with the puck. The tension grows, five minutes left in the game before the big rugged winger Dylan "the Destroyer" Ference would muscle his way to the net and finally put this one away assisted by "Hammering Hank" and "Raging Paige" Henderson. "Colt 45" shutting the door this time for good, lock, stock and barrel, and its game over...the Avalanche with a big 6-5 win to start the season. We want to welcome back Wolke Cueva who took a few years off but is back with the Avalanche and with his drive and determination is going to be a terrific addition to the team.

Baseball boring? Not a chance! It's addicting. Just when you think you seen it all, something strange happens that you may never see again but it can change the course of the game with one innocent play. No margin for error! Stay tuned the Jays play again today... and as Yogi would say "It's not over till it's over!"

Elks Hockey

The Elk Point Elks started the season on Friday with a huge 9-2 win over Neilburg Monarchs, two goals each for Chevy Botting and Matthew Boulianne, singles for Craig Dallaire, Myles Whitford, Devin Moneta, Joel Miller and newcomer Sean Joly. On Saturday, they traveled to Lashburn and scored a 3-2 win over the Fillyrs, with goals for Whitford, Miller and Grayson Brown. This week, they play in Marwayne on Friday and are at home to Paradise Hill Hawks on Saturday.

Now for the K A. Campbell Quote of the Week. "The trouble with baseball is it's not played the year round." Last weeks answer to: "I don't think you lead by pessimism and cynicism. I think you lead by optimism and enthusiasm and energy!" - Patricia Ireland.
